

# Hub & Spoke System Grantee Profile: MedMark Treatment Centers Fresno West

The California Hub & Spoke System (CA H&SS) is a component of the California Medication Assisted Treatment (MAT) Expansion Project, and is being implemented as a way to improve, expand, and increase access to MAT services across the state. Each CA H&SS consists of a "Hub" that serves as the addiction center of expertise, and multiple "Spokes" that act as clinical service providers.

## About:

MedMark Treatment Centers Inc. Outpatient clinic in Fairfield, CA provides opiate detox and related addiction treatment services that enable individuals to achieve a healthier and more productive lifestyle. Additionally, the center provides referrals to other community resources in the Fairfield, CA, area, such as housing assistance, so that patients can improve other aspects of their lives.

## INNOVATIONS

**Motivational Interviewing.** All Hub and Spoke staff receive motivational interviewing training. Staff learn to conduct intake and treatment sessions inclusive of cultural norms and beliefs, while promoting the client's self-esteem, dignity, and self-worth.

**Spoke development.** MedMark Treatment Centers - Fairfield Inc. is working towards establishing Spoke agreements in all seven cities in Solano County. All department heads at NorthBay Hospital received referral form fax sheets to facilitate care coordination with the Hub.

**Solano Opioid Collation.** The H&SS coalition meeting brought 100 local leaders together from HMOs, Partnership HealthPlan, Kaiser Permanente, NorthBay Hospital, local law enforcement, police, sheriffs, drug court presiding judges, educators, and elected officials.

**Marketing Campaign.** The program's media campaign has tear-off marketing posters, is engaged in a "Pay it Forward-Refer-A-Friend" Campaign, and has created brochures and Website Updates to increase community awareness of grant services.
